PRICE LIST

SPRING 1956

FALL 1956

To Our Customers:

We wish to thank our many customers and friends for the splendid business given us the past season, and we hope to have the pleasure of serving you more in the future.

If you have never bought from us, please give us your consideration. Our old customers have been well pleased and continue buying from us. We welcome new customers—it takes new customers to make old customers. Every effort will be made to please you.

We try, very hard, to keep our stock true to name, and will replace, upon proper proof, any stock that is found otherwise; but it is mutually agreed that we will not be responsible for more than original purchase price.

May we suggest that you write us about your needs as early in the season as you are able to do so. If you are too busy to take time out for order writing, please phone Rural Valley 4068, after 5:00 P.M., if possible.

Cordially yours,

Flickingers' Nursery,

Sagamore, Pa.

APRIL

First the blue and then the shower;
Bursting bud and smiling flower;
Brooks set free with tinkling ring;
Birds too full of song to sing;
Crisp old leaves astir with pride,
Where the timid violets hide,—
All things ready with a will,—
April's coming up the hill.

He that planteth a tree is the servant of God,
He provideth a kindness for many generations,
And faces that he hath not seen shall bless him.
